

Financial Wellbeing

Target Groups

Families going through inheritance distribution

Sensitive topics; Extra care addressing them; How to find people when people

Divorced couples

Young adults starting a job

Many people already working on this target group; Not original.

Students (>16? years)

Authorization issues; Legal (?)

Immigrants

Doable (people from our group already know who we could interview in case this is the chosen target group); Diana and Guillermo are immigrants themselves (more interesting Background Research - speak the "same language").

Moving country

Tasks

Mitigate inflation

Too broad(?)

Savings planner

Budget management
